

Medical subsidy for Infants and children(「子ども医療費」について)

In Inabe, there is a support system of the medical expenses when a child goes to the hospital.

■ Persons eligible for payment

When a child enter a hospital (hospitalized)

When a child goes to a hospital(visit)

Children under junior high school age

(the first March 31 after becoming 15 years old)

■ It is restricted by the previous year income of parents

■ The expenses which you paid at the medical institution when you hospitalized or received outpatient treatment, will be supported by this system.

(high medical treatment expense and addition supply are not included.)

※However, expenses which insurance applies like room fee, diaper fee, and hospital meals are not included

IF your children is under junior high school age

The following cards (Fukushi iryohi zyukyu shikakusho)(white card)are sent to each home from Inabe-city. If you submit “Health Insurance card” and “zyukyu shikakusho”, when a child became sick and went to the hospital, the medical expenses you paid at the hospital will be returned later.(Payment will be made directly to the bank)

To apply, you will be required to have following documents.
